++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and showery with freshening winds.

This Evening and Tonight:
Rather cloudy with frequent showers for most, perhaps merging to longer periods of rain at times. A few heavier outbreaks of rain likely and perhaps a rumble of thunder around the Buchan coast. Light winds turning northeasterly and freshening. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Rather cloudy with frequent showers that turn heavy at times. Feeling cool in fresh northeast winds that may be strong over the hills and coasts. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
North to northeast flow continuing to feed showers across the area, with the bulk of outbreaks focused across eastern and northern parts.
